

The Council all-you-can-eat shrimp feast is an annual event hosted by Montgomery Council #2323 Softball team. All look forward to the dinner, always well-attended from those 2 to 82 years old. At this event, the Council Softball team raises sufficient funds to support equipment and City of Rockville Tuesday Night "D" League entry fees. Last year, the Council softball team went 10-9-1 with 16 players on the team, captained by Brother Mike Thomas, sufficient for 4th place. No injuries were reported!

The shrimp feast took about 50 man hours total, from advertising, set up, clean up etc. Below is the advertising from the Courier, our Council monthly newsletter, and pictures from the feast.
